

Outagamie County Master Gardener Association

Course Scholarship Application

Outagamie County Master Gardeners offer scholarships for gardeners interested in joining us upon successful completion of:

1. **Growing and Caring for Plants in Wisconsin: Foundations in Gardening** offered online by the Wisconsin Extension Horticulture with a score of 70% or above on the entrance exam to follow.
2. The **Onboarding** course, explaining the scope of your role as a Wisconsin Extension Master Gardener, which is only available January 1 through March 15, annually. Please **contact the Wisconsin Extension Master Gardener Program** for registration information.
3. Completion and reporting of any volunteer service and continuing education are required to by the UW Extension to become a "certified" Wisconsin Master Gardener.

Half of all fees paid to the **UW Extension for the Growing and Caring for Plants in Wisconsin: Foundations in Gardening** (estimated to be \$300 in 2022) and **Onboarding** (estimated to be \$100 in 2023) courses, will be reimbursed upon successful completion of the 3 steps above in the process of becoming a "certified" Wisconsin Master Gardener and membership with Outagamie County Master Gardener Association for the calendar year following completion of the **Growing and Caring for Plants in Wisconsin**. You are welcome to continue membership with Outagamie County Master Gardeners in the years to come as you maintain your certification.

A limited number of scholarships will be granted each year, so please apply ASAP, prior to completing your enrollment in the courses with the UW Extension or soon thereafter. Applications will be accepted on a first-come, first-served basis for completion of coursework within the next calendar year.
